ENVIRONMENTAL POLICY STATEMENT

As a supplier of prestigious commercial interiors and maintenance services, Axiom Maintain Limited (the 'Organisation') recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the provision of specialist cleaning services and flooring renovation services to the commercial, retail, industrial & domestic market sectors. It is the Organisation's declared policy to operate with and to maintain good relations with all regulatory bodies.

The Organisation recognises that the pursuit of economic growth and a healthy environment must be closely linked and that ecological protection and sustainable development are collective responsibilities in which governments, businesses, individuals and communities all have a role to play.

It is the Organisation's objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

- a) Minimise discharges to air, water and land, replacing materials where practicable with those deemed to be less environmentally damaging
- b) Assess and regularly re-assess the environmental effects of the Organisation's activities
- c) Training of employees in environmental issues
- d) Minimise the production of waste
- e) Minimise material wastage
- f) Minimise energy wastage
- g) Ensure raw materials and wastes are carefully stored to avoid accidental spillage
- h) Ensure all liquid and solid wastes are treated and disposed of in a responsible manner
- i) Promote the use of recyclable and renewable materials
- j) Reduce and/or limit the production of pollutants to water, land and air
- k) Control noise emissions from operations
- l) Minimise the risk to the general public and employees from operations and activities undertaken by the Organisation

This Policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.
